

## Contents

### Part I Outline of Examination

#### Chapter 1 Principles of Examination and Flow of Examination

1. Principles of Examination	1 -
2. Flow of Examination	1 -
2.1 First round of examination	2 -
2.2 Examination following response to first notice of reasons for refusal	3 -
2.3 Examination following response to final notice of reasons for refusal	4 -
2.4 Reconsideration by examiners before proceedings	5 -

#### Chapter 2 Procedures of Examination

Section 1 Specifying Claimed Invention	1 -
1. Overview	1 -
2. Specifying Claimed Invention	1 -

#### Section 2 Prior Art Search and Determination of Novelty, Inventive Step, etc.

1. Overview	1 -
2. Subject of Search	1 -
2.1 Decision regarding subject of search	1 -
2.2 Matters to be considered in deciding subject of search	2 -
2.3 Invention that may be excluded from the subject of search	2 -
2.3.1 Points to note	3 -
3. Prior Art Search	6 -
3.1 Procedures of prior art search	6 -
3.1.1 Points to note in conducting prior art search	7 -
3.1.2 Methodology of prior art search	7 -
3.1.3 Completion of prior art search	8 -
3.2 Record of search results of prior art documents	9 -
4. Determination of Novelty, Inventive Step, etc.	9 -
5. Prior Art Search When the Written Opinion, Written Amendment, etc. are Submitted	10 -

6. Points to Note .....	10 -
-------------------------	------

### Section 3 Notice of Reasons for Refusal

1. Overview .....	1 -
2. Types of Notice of Reasons for Refusal .....	1 -
2.1 Non-final notice of reasons for refusal .....	1 -
2.2 Final notice of reasons for refusal .....	2 -
3. Detailed Practices of Notice of Reasons for Refusal .....	3 -
3.1 First notice of reasons for refusal .....	3 -
3.2 Second or later notice of reasons for refusal .....	3 -
3.2.1 Cases where "final notice of reasons for refusal" should be notified .....	4 -
3.2.2 The case where even a second-time or subsequent notice of reasons for refusal should be rendered as a "non-final notice of reasons for refusal" .....	7 -
4. Points to Note at the Time of Notice of Reasons for Refusal .....	9 -

### Section 4 Handling of Written Opinion, Written Amendment, etc.

1. Overview .....	1 -
2. Handling of Written Opinion, Written Amendment, etc. ....	1 -
2.1 Handling of written opinion, written amendment, etc. ....	1 -
2.1.1 Handling of written opinion, certificate of experimental results, etc. ....	1 -
2.1.2 Handling of written amendment .....	1 -
2.2 Review of details of written opinion, written amendment, etc. ....	2 -

### Section 5 Decision

1. Overview .....	1 -
2. Decision to Grant Patent .....	1 -
3. Decision of Refusal .....	1 -

### Section 6 Decision of Dismissal of Amendment

1. Overview .....	1 -
1.1 Patent Act Article 53 .....	1 -
1.2 Overview of examination procedures concerning decision of	

dismissal of amendment .....	1 -
2. Consider Whether or not Sending the Final Notice of Reasons for Refusal was Appropriate .....	2 -
2.1 Where taking the notice as "final notice of reasons for refusal" was appropriate .....	2 -
2.2 Where sending "final notice of reasons for refusal" was inappropriate .....	2 -
3. Consider of Dismissal of Amendment .....	3 -
3.1 Amendment to be dismissed .....	3 -
3.1.1 Amendment adding new matters (non-compliance with Article 17bis(3)) .....	3 -
3.1.2 Amendment changing special technical features of the invention (non-compliance with of Article 17bis(4)) .....	4 -
3.1.3 Amendment for other than the prescribed purposes (non-compliance with Article 17bis(5)) .....	5 -
3.1.4 Amendment not fulfilling requirements for independent patentability (non-compliance with the requirements of Article 17bis(6)) .....	6 -
3.2 Procedure for determining whether an amendment was made legally .....	8 -
3.3 Points to note in dismissal of the amendment due to non-compliance with of requirements for independent patentability .....	9 -
4. Handling of the Application When the Amendment is Dismissed -	10 -
5. Handling of the Application When the Amendment is not Dismissed .....	11 -

Section 7 Reconsideration by Examiners before Appeal Proceedings

1. Overview .....	1 -
2. Basic Rules for Reconsideration by Examiners before Appeal Proceedings .....	1 -
3. Flow of Reconsideration by Examiners before Appeal Proceedings -	2 -
3.1 Examination of an amendment made in the request for appeal-	3 -
3.2 Procedure where the amendment made in request for appeal is legal .....	4 -
3.2.1 Where only the description or the drawings are amended,	

or where the amendment is made for the deletion of a claim or claims, the correction of errors, or the clarification of an ambiguous statement (Article 17bis(5)(i), (iii) or (iv))	4 -
3.2.2 Where the amendment of the claims is made for restriction of the claims and the amendment satisfies the requirements for independent patentability (Article 17bis(5)(ii), (vi))	6 -
3.3 Procedure where the amendment made in the request for appeal is illegal	7 -
3.4 Examination in a case where after "final notice of reasons for refusal" is notified in reconsideration by examiners before appeal proceedings	7 -
3.4.1 Examination where a response is made to the notice of reasons for refusal	8 -
3.4.2 Examination where no response is made to the notice of reasons for refusal	8 -
3.5 Where the examiner can indicate a response the requester can take to resolve the reasons in the decision for refusal	9 -
3.6 Points to note	9 -

Section 8 Communication with Applicant and Request for Documents etc. Required for the Examination

1. Overview	1 -
2. Means for Communication	1 -
2.1 Suggestion of amendments, divisional application and so on in notice of reasons for refusal etc.	1 -
2.2 Communication through interview, telephone and facsimile	1 -
2.3 Points to note	2 -
3. Request for Submission of Documents etc. Required for Examination	2 -

<Relevant Provisions>
