

Mission

To achieve a society in which ideas are respected and each individual is encouraged to ignite creativity.

Vision

To promote innovation through enhancement of IP rights by co-creating an IP ecosystem in which ideas exploring the future can be developed to generate new values.

Values

- ▶ Conduct business operations with integrity and fairness based on transparency.
- ▶ Act from the users' standpoint.
- ▶ Continue to improve without being bound by past practices.
- ▶ Act proactively as a professional expert.
- ▶ Think and deal with issues as a united JPO entity.
