

# Preliminary Statistical Data on Filing Applications and Requests

Created on October 27,2020

From March 2020 through August 2020

\*The preliminary data are tentatively compiled figures based on the JPO Statistical Database.  
Please be noted that the data may be subject to change through continual data collection and processing.

The number of PCT international applications filed with the JPO as a designated office is also included in the number of applications for patents and utility models. The number of international applications for design registration filed with the JPO as a designated office is also included in the number of application for designs. The number of international applications for trademark registration filed with the JPO as a designated offices is also included in the number of trademark applications.

## (3) The Number of Requests for Patent Examination and Report of Utility Model Technical Opinion
