**72. Pending applications for registration.**
(1) Where an application which was pending at the commencement of the Act is to be dealt with in accordance with the old law, the provisions of Rule 73 as regards the issue by the Controller of a request for payment of the fee for registration and the time within which such fee shall be paid shall apply to such application if the fee for registration had not been paid at commencement.

(ii) In relation to an application to which subparagraph (i) applies, a notice of non-payment of a registration renewal fee shall be published by the Controller upon expiry of the appropriate period provided for in that subparagraph if the fee remains unpaid at the expiry of that period.

(ii) in the case of an assignment which is limited so that it applies in relation to use of the mark in a particular locality, the registration pursuant to paragraph (3) shall have effect as if it resulted from an application for registration in respect of which the applicant had agreed to a territorial limitation to the same effect under the provisions of section 17.

77. Non-exclusive licence.

(1) The Controller may, on application therefor to him or her in writing by a person and on payment of the prescribed fee, grant or refuse to grant to the person a licence (referred to in this rule as a non-exclusive licence) authorising the use by that person of part or all of the computerised trade mark data base open to public inspection.
