Item number	Constitution	Code symbol	Meaning	Remarks
1	Record status identification	1	Domestic registration case	
2		2	Domestic application case	
3		3	International registration case	
4		A	Domestic registration deletion case (case not subject to search)	
5		B	Domestic application deletion case (case not subject to search)	
6		C	International registration deletion (case not subject to search)	

Code table	Code description table	CODE INDEX	12040	VER	1.4

Code name	Non claiming		Attribute & Number of digits	C1

Description	Presence or absence of a claim.

Notices	

Data form	*Constitution * Attribute & number of digits	Non claiming C1

Item number	Constitution	Code symbol	Meaning	Remarks
1	Non claiming	0	Initial value / No unclaimed rights	
2		1	Some of the rights are unclaimed.	

Code table	Code description table	CODE INDEX	12050	VER	1.4

Code name	Public order and morality flag	attribute & Number of digits	C1

Description	A code given to a case that violates public order and morals for trademark data. The purpose is to prevent information disclosure.

Notices	

data form	*Constitution * Attribute & number of digits	Public order and morality flag C1

Item number	Constitution	Code symbol	Meaning	Remarks
1	Public order and morality flag	0	Initial value / not public order and moralityviolation.	
2		1	It is a violation of public order and morallity	

Code table	Code description table	CODE INDEX	12060		VER	1.4
Code name	International registration number			Attribute & Number of digits		C7
Description	Registration number at the time of international registration.					
Notices						

Data form	*Constitution * Attribute & number of digits	International registration number C7

Item number	Constitution	Code symbol	Meaning	Remarks
1	International registration number	See right	7 digits	Right-justified / before 0

Code table	Code description table	CODE INDEX	12070	VER	1.4

Code name	Final decision code	Attribute & Number of digits	C3

Description	The final decision of the case which was coded and expressed.

Notices	

Data form	*Constitution	Final decision code
	* Attribute & number of digits	C3

Item number	Constitution	Code symbol	Meaning	Remarks
1	Final decision code	Axx	Final decision code for domestic application (final decision of application) For xx, set the final decision type of the application master.	
2		Cxx	Final decision code for domestic application (appeal final decision) For xx, set the final decision type of appeal in the application master	
3		R02	Right expiration of domestic registration case	
4		R99	Defensive mark expiration of domestic registration case	
5		Exx	Final decision code for international applications (final decision of application) For xx, set an examination final decision code of Madrid protocol master	
6		Mxx	Final decision code for international application (final decision of registration) For xx, set registration final decision code of Madrid protocol master	

Code table	Code description table	CODE INDEX	12080		VER	1.4
Code name	Duplicate registration flag			Attribute & Number of digits		C1
Description	Identify the existence of duplicate registration of the same mark.					
Notices						

Data form	*Constitution * Attribute & number of digits	Duplicate registration flag C1

Item number	Constitution	Code symbol	Meaning	Remarks
1	Duplicate registration flag	0	Initial value / not duplicate registration	
2		1	Duplicate registration	

Code table	Code description table	CODE INDEX	12090		VER	1.4
Code name	Application type collective			Attribute & Number of digits		C1
Description	Identification of collective trademark application.					
Notices						

Data form	*Constitution * Attribute & number of digits	Application type collective C1				

Item number	Constitution	Code symbol	Meaning	Remarks
1	Application type collective	0	Initial value / not collective trademark application.	
2		1	It is a collective trademark application.	

Code table	Code description table	CODE INDEX	12100	VER	1.4
Code name	Application type regional collective		Attribute & Number of digits		C1

Description	Identification of the regional collective trademark application.

Notices	

Data form	*Constitution * Attribute & number of digits

Application type regional collective
C1

Item number	Constitution	Code symbol	Meaning	Remarks
1	Application type regional collective	0	Initial value / not a regional collective trademark application.	
2		1	Regional collective trademark application.	

Code table	Code description table	CODE INDEX	12110		VER	1.4
Code name	Application type division			Attribute & Number of digits		C1
Description	Identification of divisional trademark applications.					
Notices						

Data form	*Constitution * Attribute & number of digits	Application type division C1				

Item number	Constitution	Code symbol	Meaning	Remarks
1	Application type division	0	Initial value / not divided application.	
2		1	It is a divisional application.	

Code table	Code description table	CODE INDEX	12120		VER	1.4
Code name	Application type change			Attribute & Number of digits		C1
Description	Identification of changes in various applications.					
Notices						

Data form	*Constitution * Attribute & number of digits	Application type change C1				

Item number	Constitution	Code symbol	Meaning	Remarks
1	Application type change	0	Initial value / not change application.	
2		1	It is a change application.	

Code table	Code description table	CODE INDEX	12130		VER	1.4
Code name	Application type amendment rejection			Attribute & Number of digits		C1
Description	Identification of new application after amendment rejection.					
Notices						

Data form	*Constitution * Attribute & number of digits	Application type amendment rejection
		C1

Item number	Constitution	Code symbol	Meaning	Remarks
1	Application type amendment rejection	0	Initial value / Not an application after the amendment rejection.	
2		1	It is an application after the amendment rejection.	

Code table	Code description table	CODE INDEX	12140		VER	1.4
Code name	Application type defence			Attribute & Number of digits		C1
Description	Identification of defensive trademark applications.					
Notices						

Data form	*Constitution	Application type defence
	* Attribute & number of digits	C1

Item number	Constitution	Code symbol	Meaning	Remarks
1	Application type defence	0	Initial value / not defensive application.	
2		1	It is a defensive application.	

Code table	Code description table	CODE INDEX	12150	VER	1.4

Code name	Application type priority		Attribute & Number of digits	C1	

Description	Identification of priority claims.

Notices	

Data form	*Constitution * Attribute & number of digits	Application type priority C1

Item number	Constitution	Code symbol	Meaning	Remarks
1	Application type priority	0	Initial value / not an application with a priority claim	
2		1	It is an application with a priority claim.	

Code table	Code description table	CODE INDEX	12160	VER	1.5

Code name	application number		attribute & Number of digits	C10

Description	A number given when an application is received, or when a designated Office receives a designated notification.

Notices	1. Application number, Publication number, Publication number, Public inspection number all have the same format 2. In the case of trademark recovery number, the western calendar year is "0000", and the serial number is the same as the registration number preceded by a leading zero in the document.

data form	*Constitution * Attribute & number of digits	Western calendar Year	Sequence number
		C4	C6

Item number	Constitution	Code symbol	Meaning	Remarks
1	Western calendar Year	See right	Year when an application was received. (year)	
2	Sequence number	See right	number	Right alignment and preceded by the leading 0. As for an application number system, refer to the attachment of a code table (western calendar application number) of an application master (patent and utility model)

Code table	Code description table	CODE INDEX	12170	VER	1.4
Code name	Goods / service classification		Attribute & Number of digits		C2

Description	Identification of the class to which the goods and services belong.

Notices	For details of the content, refer to "Examination Standards for Similarity of Goods or Services" etc. For details on the past, refer to "Patent Office Trademark Division Goods Classification" and "Transitions of Patent Office Trademark Goods and Services by Classification". [About "class" of registration information] As for the "designated goods / service name" of the above and registered information, those for rewritten registration are "class after rewrite registration" and "designated goods / service name after rewrite registration" under the international classification. [About "class" of trademark release information] For the above, the "international classification" is recorded. (International classification: 01～45) However, "class" = 00, 99 is merely a code for internal processing of the Patent Office, and does not represent an international classification.

Data form	*Constitution * Attribute & number of digits	Goods / service classification C2

Item number	Constitution	Code symbol	Meaning	Remarks
1	Goods / service classification	01 to 74	Class	

[Reference] Goods category transition chart
From the 1991 Act, it is an international classification
