It is classified into the following types according to the value of each item of "Code column" and "Document type, year, serial number etc." For details of each format, refer to the attached sheet and each code table below. (The number of digits defined as data format differs in each format.)

- \* Domestic patent documents -> Refer to Reference document number (domestic patent documents)
  - \* Foreign patent documents -> Refer to Referenced document number (foreign patent document)
  - \* non-patent document -> Refer to Referenced document number (non-patent document)
  - \* others
