

## **Contents**

### **Part I Outline of Examination**

Chapter 1 Principles of Examination and Flow of Examination

Chapter 2 Procedures of Examination

Section 1 Specifying Claimed Invention

Section 2 Prior Art Search and Determination of Novelty, Inventive Step, etc.

Section 3 Notice of Reasons for Refusal

Section 4 Handling of Written Opinion, Written Amendment, etc.

Section 5 Decision

Section 6 Decision of Dismissal of Amendment

Section 7 Reconsideration by Examiners before Appeal Proceedings

Section 8 Communication with Applicant and Request for Documents etc. Required for the Examination

Figures 1-3

Relevant Provisions

### **Part II Description and Claims**

Chapter 1 Requirements for Description

Section 1 Enablement Requirement (Patent Act Article 36(4)(i))

Section 2 Ministerial Ordinance Requirement (Patent Act Article 36(4)(i))

Section 3 Requirements for Disclosure of Information on Prior Art Documents (Patent Act Article 36(4)(ii))

Chapter 2 Requirements for Claims

Section 1 Patent Act Article 36(5)

Section 2 Support Requirement (Patent Act Article 36(6)(i))

Section 3 Clarity Requirement (Patent Act Article 36(6)(ii))

Section 4 Conciseness Requirement (Patent Act Article 36(6)(iii))

Section 5 Ministerial Ordinance Requirement on Statement of Claims (Patent Act Article 36(6)(iv))

Chapter 3 Unity of Invention (Patent Act Article 37)

Relevant Provisions

### **Part III Patentability**

Chapter 1 Eligibility for Patent and Industrial Applicability  
(Main Paragraph of Article 29(1) of Patent Act)

Chapter 2 Novelty and Inventive Step (Patent Act Article 29(1) and (2))  
Section 1 Novelty  
Section 2 Inventive Step  
Section 3 Procedure of Determining Novelty and Inventive Step  
Section 4 Claims Including Specific Expressions  
Section 5 Exceptions to Lack of Novelty of Invention (Patent Act Article 30)

Chapter 3 Secret Prior Art (Patent Act Article 29bis)

Chapter 4 Prior Application (Patent Act Article 39)

Chapter 5 Category of Unpatentable Invention (Patent Act Article 32)

Relevant Provisions

#### **Part IV Amendments of Description, Claims or Drawings**

Chapter 1 Requirements for Amendments (Patent Act Article 17bis)

Chapter 2 Amendment Adding New Matter (Patent Act Article 17bis(3))

Chapter 3 Amendment Changing Special Technical Feature of Invention (Patent Act Article 17bis(4))

Chapter 4 Amendment for other than the Prescribed Purposes (Patent Act Article 17bis(5))

Relevant Provisions

#### **Part V Priority**

Chapter 1 Priority under the Paris Convention

Chapter 2 Internal Priority

Relevant Provisions

#### **Part VI Special Application**

Chapter 1 Division of Patent Application (Patent Act Article 44)  
Section 1 Requirements for Division of Patent Application  
Section 2 Notice under Article 50bis

Chapter 2 Conversion of Application (Patent Act Article 46)

Chapter 3 Patent Application Based on Utility Model Registration (Patent Act Article 46bis)

Chapter 4 Reference filing (Patent Act Article 38ter)

Relevant Provisions

## **Part VII Foreign Language Written Application**

Chapter 1 Overview of Foreign Language Written Application System

Chapter 2 Examination of Foreign Language Written Application

Relevant Provisions

## **Part VIII International Patent Application**

Relevant Provisions

## **Part IX Extension of Patent Term**

Chapter 1 Extension of a Patent Term as Compensation for the Curtailment of the Term (Patent Act Article 67(2))

Chapter 2 Extension of Patent Term for Pharmaceutical Inventions (Patent Act Article 67(4))

Relevant Provisions

## **Part X Utility Model**

Chapter 1 Basic Requirements for Utility Model Registration

Chapter 2 Utility Model Technical Opinion

Relevant Provisions
