Regarding the Designation of the Standard Characters as Provided in Article 5(3) of the Trademark Act

The standard characters as provided in Article 5(3) of the Trademark Act were designated on February 24, 1997, July 1, 2003 and December 24, 2004 (See Appendix 1-2) but have been wholly revised in the Patent Office Gazette of September 23, 2016 (Public Notice No. 9) designating new standard characters (See Appendix 1-1).

[Note] This handling does not apply to international applications for trademark registration.
