		Horn for a speaker
	Video Frequency Devices	Television receiver
		Television receiver with a radio receiver
		Television receiver with a video tape recorder

		Projection type television receiver
		Video tape recorder
		Video disc player
		Television camera
		Television camera with a video tape recorder
		View finder for a television camera
41. Computers, etc.	Computers, etc.	Computer
		Magnetic disk memory
		Data input equipment
		Printer for an computer
		Xy plotter
		Paper tape reader
		Paper tape puncher
		Magnetic card reader
		Light pen
		Automatic drafting machine
	Electronic Application Devices	X-ray tube
		Fish detector
		Ultrasonic wave flaw detector
		Electron microscope
42. Weighing Instruments, Measuring Machinery and Instruments and Surveying Machinery and Instruments	Length Measures, etc.	Tape measure
		Taximeter
		Vernier caliper
		Height gauge
		Micrometer

		Dial gauge
		Block gauge
		Angle gauge
	Weighing Instruments, Thermometers Planimeters, Stereometers, etc.	Weighing machine
		Counterweight
		Scale for weighing people
		Thermometer
		Clinical thermometer
		Planimeter
		Measuring container
		Gasoline batcher
		Water gauge
		Measuring spoon
		Measuring cup
	Tachometers, Speedometers, Pressure Gauges, Photometers, etc.	Tachometer
		Tachograph
		Speedometer
		Tire pressure gauge
		Photometer
		Hygrometer
		Calorimeter
		Flow meter
		Current meter
		Level meter
		Gravity meter

		Viscosity meter
	Electrical Measuring Instruments	Ammeter
		Voltmeter
		Power meter
		Oscilloscope
		Oscillograph
		Phase meter
		Amplifier for a measuring instrument
	Testing Machines and Analyzing Equipment	Pulling strength testing machine
		Universal testing machine
		Compressive strength testing machine
		Ph meter
		Spectrophotometer
		Flame photometer
		Photoelectric colorimeter
		Gas chromatograph
		Infrared gas analyzer
		Gas concentration meter
		Sound level meter
		Vibration level meter
	Measuring Instruments and Measuring Instruments for Weather Observation	Transit
		Sextant
		Octant
		Leveling instrument
		Magnetic compass

		Surveying target
		Surveying pole
		Rain gauge
		Anemometer
		Barometer
43. Clocks and Watches		Wrist watch
		Wrist watch band
		Pocket watch
		Stop watch
		Table clock
		Wall clock
		Dial plate for a clock or a watch
		Hand for a clock or a watch
		Casing for a clock or a watch
		Glass for a clock or a watch
44. Optical Machinery and Instruments	Telescopes, etc.	Telescope
		Binocular
		Microscope
		Magnifier
	Photograph Apparatuses	Still camera
		Single-lens reflex camera
		Microscope camera
		Camera body
		Filter for a camera
		Camera hood

		Camera tripod
		Camera platform
		Self-timer for a camera
		Exposure meter for a camera
		Range finder for a camera
		View finder for a camera
		Electronic flash unit
		Grip for a camera
		Motor drive for a camera
		Camera lens
		Enlarger
		Developing tank
		Photograph printer
		Photograph dryer
		Slide projector
		Overhead projector
		Photograph viewer
	Movie Apparatuses	8 mm film movie camera
		8 mm film movie projector
		Movie projection screen
		Reel for movie projection
45. Office Equipment		Electronic calculator
		Electronic calculator with a radio receiver
		Accounting machine
		Cash register

		Copying machine
		Collator for a copying machine
		Diazo copying machine
		Microfilm reader
		Microfilm reader printer
		Time recorder
		Time stamp
		Japanese-character typewriter
		Western-character typewriter
		Coin counter
		Bill counter
46. Automatic Vending and Service Machines		Automatic beverage vending machine
		Automatic frozen food vending machine
		Automatic cigarette vending machine
		Automatic passenger ticket vending machine
		Automatic admission ticket vending machine
		Automatic postal stamp vending machine
		Money counting machine for an automatic vending machine
		Money changing machine
		Automatic machine for cash payment
		Automatic ticket checker wicket
47. Security Equipment, etc.		Dust-proof mask
		Protector mask
		Helmet

		Life buoy
		Life jacket
		Slowly descending machine
		Fire hydrant
		Fire extinguisher
		Fire sensor
		Burglar alarm
		Revolving warning light
		Traffic signal
		Reflector for a road
		Reflex mirror for a road
		Smoke candle
		Oil fence
48. Medical Machinery, Instruments and Supplies	Machinery and Instruments for a Clinical Facility	Operating table
		Surgical shadowless light
		Oxygen inhaler
		Infant incubator
		Medical X-ray photographing stage
		Medical X-ray camera
		Film viewer
		Stretcher
		Gurney
		Medical chair
		Cradle
	Machinery and	Infrared treatment apparatus

	Apparatus for Physical Therapy	Ultraviolet treatment apparatus
		Laser treatment apparatus
		Mercury treatment apparatus
		Low frequency treatment apparatus
		High frequency treatment apparatus
		Ultrasonic treatment apparatus
		Magnetic treatment apparatus
		Bathing machine for hydropathy
	Medical Steel Supplies	Operating knife
		Operating scissors
		Operating tweezers
		Operating forceps
		Operating curette
		Operating needle
	Machinery and Supplies for a Diagnosis	Stethoscope
		Plexor
		Tongue depressor
		Probe
		Colposcope
		Blood pressure measuring apparatus
		Audiometer
		Apparatus for medical examination of flat feet
		Reflex mirror with a headband
		Cystoscope
		Pelvis meter

		Anomaloscope
	Machinery and Supplies for Operation and Machinery and Supplies for Treatment	Anesthetic apparatus
		Heart-lung machine
		Stomach and intestinal suturing apparatus
		Injection needle
		Trochar
		Boring and pricking needle for bone marrow
		Syringe
		Blood collecting equipment
		Blood transfusion tool
		Tracheal cannulae
		Catheter
		Bladder washing instrument
		Nebulizer
	Machinery and Instruments for Dentistry	Dental treatment chair
		Dental syringe
		Root canal reamer
		Articulator
	Machinery and Instruments for Recovery of Functions, etc.	Walker
		Wheelchair
		Artificial arm
		Crutch
49. Sharp-Edged Tools and Mechanical Tools	Hand-Operated Sharp-Edged Tools	Knife
		Pocket knife
		Mountain-climbing knife

		Electrical work knife
		Diving knife
		Cutting knife
		Spare blade for a cutting knife
		Tatami knife
		*Tatami: Japanese mat
		Western-style scissors
		Hand gripping scissors
		Barber scissors
		Metal-cutting scissors
		Gardeners scissors
		Flower cutting scissors
		Clippers
		Electric scissors
		Chisel
		Chisel blade
		Planer
		Plane stock
		Handsaw
		Hacksaw frame
		Saw blade
		Handsaw handle
		Gimlet
		Manual boring tool
		Axe

		Hatchet
		Graver
	Hand-Operated Working Tools	Wire cutter
		Pincer
		Wrench
		Wrench extension bar
		Wrench socket
		Wrench ratchet handle
		Spanner
		Pliers
		Pliers case
		Cutting pliers
		Nipper
		Screwdriver
		Vice

	Mechanical Tools	Drill
		Reamer
		Taper pin reamer
		Fraise
		End mill
		Gear cutter
		Broach for a broaching machine
		Cutting tool
		Hand tap
		Machine tap
		Thread cutting die
		Die head chaser

		Thread rolling die
		Throw-away tool
		Ultra-hard tip for a throw-away tool
		Ultra-hard rock bit
		Ultra-hard core bit
		Core drill
		Diamond dresser
		Grinding wheel
		Circular saw blade
		Band saw blade
		Cylindrical saw blade
		Fret saw blade
	Other Sharp-Edged Tools and Mechanical Tools	Cant hook
		Whetstone
		Whetstone table
		File
		Blow torch
		Soldering iron
		Carpenters retaining ruler
		Ink pad
		Toolbox
50. Fishing Machines and Gear	Fishing Gear, etc.	Draw net
		Scoop net
		Set net
		Fish trap

		Fishing net float
		Ground rope for a fishing net
		Net controlling machine
		Fishing lamp
		Fish preserve
		Feeding machine for breeding
		Breeding raft
		Octopus trap
		Box glass
	Fishing Tackle	Angling machine
		Fishing rod
		Fishing rod handle
		Fishing rod guide
		Fishing reel
		Fishing rod case
		Fish hook
		Lure
		Artificial bait
		Fishing sinker
		Fishing float
		Fish landing net
		Cooler for fishing
		Creel
51. Agricultural, Mining, and Construction	Machinery and Instruments for	Agricultural tractor
		Power cultivator

Machinery and Equipment, etc.	Cultivation of Land	Plow for a power cultivator
		Furrowing machine for a power cultivator
		Tine for a power cultivator
		Hoe
	Machinery and Instruments for Cultivation Control	Manure spreader
		Sowing machine
		Manuring and sowing machine
		Rice planting machine
		Wheel for a rice planting machine
		Transplantation machine
		Potato planting machine
		Paddy field cultivating and weeding machine
		Cultivator
		Atomizer for cultivation
		Bird and animal deterrent machine
		Pruner
		Transplanting trowel
		Bush cutter
		Rake

	Machinery and Instruments for Harvest Adjustment	Binder
		Binding machine for a binder
		Reaping machine blade
		Potato digging machine
		Combine

		Tomato harvesting machine
		Sickle
		Grain threshing machine
		Rice huller
		Karamino *Karamino: manual rice classifier
		Grain sorting machine
		Fruit grading machine
		Grain drier
		Hay drier
	Straw Dampers, etc.	Straw damper
		Straw rope twisting machine
		Straw bag knitting machine
		Straw cutter
		Lawnmower
		Watering can
		Flower pot
		Flower pot cover
	Stockbreeding Machinery and Instruments, etc.	Feed cutter
		Feed crusher
		Automatic feeder for stockbreeding
		Automatic water supplier for stockbreeding
		Milking machine
		Artificial incubator
		Brooder

		Chicken sexer
		Egg grading machine
		Egg checking apparatus
		Container for the last sleep of silkworms
	Mining and Construction Machinery	Boring machine for mining
		Rock drill
		Bulldozer
		Hydraulic shovel
		Concrete crusher for a hydraulic shovel
		Bucket for a hydraulic shovel
		Shovel loader
		Backhoe
		Pile driver
		Pile extractor
		Road roller
		Tire roller
		Concrete mixer
		Concrete sprayer
		Concrete cutter
	Crushers, Mills, and Sorting Machines	Jaw crusher
		Cone crusher
		Roll crusher
		Crusher blade
		Ball mill
		Rod mill

		Rotary screening machine
		Vibration screening machine
		Spiral classifier
		Air classifier
		Belt feeder
		Concentrating table
		Jig
		Floating sorting machine
		Magnetic sorting machine
52. Food Processing Machines, etc.		Rice cleaning machine
		Rice and wheat cleaning machine
		Flour mill
		Noodle making mixer
		Noodle making machine
		Ice cream making apparatus
		Mincer
		Kamaboko forming machine <small>*Kamaboko: steamed fish paste</small>
		Mold for a kamaboko forming machine <small>*Kamaboko: steamed fish paste</small>
		Green tea steamer
53. Textile and Sewing Machines	Spinning Machines, etc.	Rice washing machine
		Roving machine
		Fine spinning machine
		Twisting machine
		Spinning machine spindle

		Ring for a spinning machine
		Spinning machine bobbin
	Weaving Machines	Power loom
		Hand weaving machine
	Knitting Machines, Dyeing Machines, etc.	Flat knitting machine
		Circular knitting machine
		Hosiery knitting machine
		Warp knitting machine
		Hand knitting machine
		Hand knitting machine carriage
		Printing machine
		Raising machine
	Sewing Machines	Sewing machine
		Embroidering stitch sewing machine
		Buttonhole sewing machine
		Filled bag closing sewing machine
		Sewing machine needle
		Pressing device for a sewing machine
		Sewing machine bobbin
		Latch lever for a sewing machine
		Sewing machine table
		Sewing machine cabinet
		Sewing machine case
54. Chemical Machinery and Instruments	Chemical Machinery	Sewage disposal filter
		Filter for chemical industry

		Waterworks filter
		Centrifugal separator
		Dust collector
		Heat exchanger
		Heater
		Cooler
		Condenser
		Heat exchanger tube
		Mixing machine
		Stirring machine
		Stirring machine blade
		Kneading machine
		Emulsifying machine
		Disassembling machine

	Machinery and Instruments for a Chemical Experiment, etc.	Desiccator
		Melting pot for a chemical experiment
		Pyrostat for a chemical experiment
		Dividing and pouring tool for a chemical experiment
		Draft chamber
		Pipette
		Burette
		Syringe

		Beaker
		Flask
		Test tube stand
55. Metal Processing Machinery, Woodworking Machinery, etc.	Lathes and Spindle Drilling Machines	Engine lathe
		Copying lathe
		Turret lathe
		Desk lathe
		Upright drilling machine
		Radial drilling machine
		Multiple spindle drilling machine
		Desk drilling machine
	Milling Machines, Planing Machines, Grinding Machines, etc.	Bed type milling machine
		Knee type milling machine
		Planing machine
		Shaping machine
		Slotting machine
		Cylinder grinding machine
		Internal grinding machine
		Plain grinding machine
		Tool grinding machine
		Honing machine
		Desk electric grinder

	Woodworking Machinery, etc.	Woodworking milling machine
		Woodworking band-sawing machine
		Hand planing machine
		Automatic planing machine
		Woodworking milling machine
		Tenoning machine
		Woodworking drilling machine
		Hollow chisel mortiser
		Woodworking lathe
56. Power Machinery and Instruments, Pumps, Compressors, Blowers, etc.	Internal Combustion Engines and Turbines	Internal combustion engine for a car
		Internal combustion engine for agricultural machinery
		Gas turbine
		Internal combustion engine ignition plug

		Internal combustion engine oil filter
		Internal combustion engine muffler
		Internal combustion engine radiator
		Internal combustion engine cooling fan
	Boilers and Burners	Hot-water boiler for heating
		Hot-water storage type boiler
		Gas burner
		Heavy oil burner
	Pumps	Hot-water boiler for heating
		Axial flow pump
		Oblique flow pump
		Rotary pump
		Reciprocating pump
		Pump impeller
	Compressors and Air Blowers	Axial-flow compressor
		Reciprocating compressor
		Compressor casing
		Axial-flow air blower
		Centrifugal air blower
		Air blower casing
57. Other Industrial Machinery and Instruments	Printing Presses and Bookbinding Machines	Letterpress printing machine
		Planographic printing machine
		Intaglio printing machine
		Mimeographic printing machine
		Plate cylinder

		Photo-type composing machine
		Bookbinding cutter
		Gathering machine
	Packing Machines and Crating Machines	Can filling machine
		Bottle filling machine
		Bottle capping machine
		Covering machine
		Banding machine for crating
	Machinery and Instruments for Painting, etc.	Paint spray gun
		Paint brush
		Paint roller
		Operational lighting equipment
		Head lamp
		Electric pottery kiln
		Industrial robot
58. All-Purpose Parts and Attachments for Industrial Machinery and Instruments		Bearing
		Oil seal
		Electric power conduction chain
		Electric power conduction belt
		Cogwheel
		Transmission
		Reduction gear
		Electric power conduction clutch
		Electric power conduction coupling
		Pulley

		Grease gun
		Oiler
		Oil hydraulic cylinder
59. Materials and Equipment for Temporary Construction	Scaffolding	Scaffolding building frame
		Scaffolding post
		Scaffolding railing post
		Scaffolding board
		Connector between scaffold and walls
		Scaffolding clamp
		Scaffolding bracket
		Scaffolding base fitting
	Materials and Equipment for Support	Pipe support
		Joint pin for a pipe support
		Adjustable beam for supporting constitution
		Batter
	Forms, etc.	Concrete form
		Concrete form connecting tool
		Concrete form clamp
		Concrete form wedge
		Concrete form cone
		Concrete form washer
		Separator
		Spacer
		Chamfer strip
60. Civil Engineering	Civil Engineering	Assembled bridge

Buildings and Materials and Equipment for Civil Engineering	Buildings	Assembled bridge truss
		Tunnel segment
		Tunnel segment joint
		Rock bolt
		Sluice
		Sluice gate
		Elevated tank
		Gas tank
		Steel tower
		Utility pole
		Scaffolding fitting for a utility pole
		Band for a utility pole
	Material and Equipment for Foundation Engineering, and Materials and Equipment for Civil Engineering	Foundation pile
		Foundation pile shoe
		Joint for a foundation pile
		Caisson
		Retaining wall block
		Slope protecting block
		Slope protecting net

		Sheet pile
		Sheet pile joint
	Materials and Equipment for Roadway	Sidewalk divider block
		Concrete plane table for a pedestrian path
		Curb block

		Covering board
		Road rivet
		Roadway joint
		Roadway safety fence
		Guard rail plate
		Avalanche preventing fence
		Snow fence
	Equipment Related to Rivers, the Sea and Harbors	Shore protection block
		Root compacting block
		Soil settling
		Breakwater block
		Shore mooring fender
		Landing stage
		Floating breakwater
		Artificial fish reef
		Artificial fish reef block
	Equipment for Fresh Water or Drain Installation	Sewage pipe
		Manhole side block
		Manhole cover
		Manhole scaffolding fitting
		Basin in sewage
		Basin in storm sewage
		Side-ditch block
		Waterway block
		Ditch cover

		Culvert block
		Floor drainage pipe flange
		Under-floor drain trap
		Water valve covering box
		Water measuring protective box
	Materials and Equipment for Agricultural Engineering	Retaining board for a ridge
		Retaining block for a ridge
		Agricultural sluice gate
		Agricultural sluice gate pole
61. Prefabricated Houses, Outdoor Equipment, etc.	Prefabricated Houses, etc.	Prefabricated house
		Prefabricated bungalow
		Tent
		Tent pole
		Prefabricated toilet
		Prefabricated garage
		Prefabricated storeroom
		Prefabricated greenhouse
		Vinyl house
		Prefabricated barn
	Housing Units	Bathroom
		Sauna room
		Window guardrail
		Window face lattice
		Stairs
		Stair handrail

		Handrail coping
		Handrail coping support
		Handrail strut
		Stair handrail baluster
		Balcony
		Veranda
		Veranda fence
		Porch
	Gate Doors, Walls, Fence, etc.	Gate
		Gate post
		Gate door
		Wall
		Wall strut
		Wall coping support
		Fence
		Fence baluster
		Decorative metal part for a fence
		Garden fence
		Elevated water tank
		Elevated water tank panel
		Torii *Torii: Shinto shrine gate
		Telephone booth
		Mailbox
62. Structural	Pillars, Beams,	Pillar

Components of Buildings	etc.	Girder
		Beam
		Metal part for a supporting beam
		Brace
		Knee brace
		Reinforcing bar
		Strap bolt
	Wall Parts and Ceiling Parts	Wall cover plate
		Internal corner material for a wall
		External corner material for a wall
		Baseboard
		Curtain wall
		Ceiling batten
		Ceiling joist
		Ceiling suspending wood component
		Corner bead material of a ceiling
		Insert
	Floor Parts	Sleeper support
		Joist support
		Floor post
		Tread of stairs
		Non-slip material for stairs
		Frame for non-slip material for stairs
		Caulking for non-slip material for stairs
	Roof Parts and	Fascia board

	Gutters	Ridge board
		Ridge board of a prefabricated greenhouse
		Roof plate joint
		Tarukibana *Tarukibana: metallic decoration tool for a rafter
		Roof tile joint
		Decorative metal part for a barge board
		Snow guard
		Window hood
		Gutter
		Gutter joint
		Gutter bracket
		Gutter funnel
		Gutter holder
		Roof drain
