

**6 . List of Goods in Class Order  
(from Class 1 to Class 34),  
in English and Japanese Translation  
with Similar Group Codes**

## List of Goods in Class Order (Class 1 – Class 34)

## Class 1

| Index  | Indication of Goods                                                                   | Indication of Goods (Japanese translation) | Similar Group Codes | Basic No. | * | Remarks |
|--------|---------------------------------------------------------------------------------------|--------------------------------------------|---------------------|-----------|---|---------|
| A#0026 | acetate of cellulose, unprocessed                                                     | 未処理酢酸セルローズ                                 | 01A01               | 010008    |   |         |
| A#0027 | acetates [chemicals]*                                                                 | 酢酸塩                                        | 01A01               | 010007    |   |         |
| A#0029 | acetic anhydride                                                                      | 無水酢酸                                       | 01A01               | 010010    |   |         |
| A#0030 | acetone                                                                               | アセトン                                       | 01A01               | 010011    |   |         |
| A#0031 | acetylene                                                                             | アセチレン                                      | 01A01               | 010012    |   |         |
| A#0036 | acetylene tetrachloride                                                               | 四塩化アセチレン                                   | 01A01               | 010013    |   |         |
| A#0039 | acid proof chemical compositions                                                      | 耐酸性化学合成物                                   | 01A01               | 010016    |   |         |
| A#0042 | acids*                                                                                | 酸類                                         | 01A01               | 010014    |   |         |
| A#0043 | acidulated water for recharging accumulators                                          | 蓄電池充電用酸性液                                  | 01A01               | 010251    |   |         |
| A#0044 | acidulated water for recharging batteries                                             | 蓄電池充電用酸性液                                  | 01A01               | 010251    |   |         |
| A#0054 | acrylic resins, unprocessed                                                           | 未加工アクリル樹脂                                  | 34A01               | 010461    |   |         |
| A#0055 | actinium                                                                              | アクチニウム                                     | 06A02               | 010018    |   |         |
| A#0058 | activated carbon                                                                      | 活性炭                                        | 01A01               | 010025    |   |         |
| A#0059 | activated charcoal                                                                    | 活性炭                                        | 01A01               | 010025    |   |         |
| A#0060 | active chemical ingredients                                                           | 化学活性成分                                     | 01A01               | 010731    |   |         |
| A#0064 | additives, chemical, to drilling muds                                                 | 掘削泥水用添加剤                                   | 01A01               | 010019    |   |         |
| A#0065 | additives, chemical, to fungicides                                                    | 殺菌剤用添加剤                                    | 01A01               | 010309    |   |         |
| A#0066 | additives, chemical, to insecticides                                                  | 殺虫剤用添加剤                                    | 01A01               | 010308    |   |         |
| A#0067 | additives, chemical, to motor fuel                                                    | 原動機燃料用化学添加剤                                | 01A01               | 010020    |   |         |
| A#0078 | adhesive preparations for surgical bandages                                           | 包帯用接着剤                                     | 01A02               | 010022    |   |         |
| A#0090 | adhesives for billposting                                                             | ビラ張り用接着剤                                   | 01A02               | 010028    |   |         |
| A#0093 | adhesives for industrial purposes                                                     | 工業用接着剤                                     | 01A02               | 010002    |   |         |
| A#0094 | adhesives for paperhanging                                                            | 壁紙用接着剤                                     | 01A02               | 010203    |   |         |
| A#0095 | adhesives for wall tiles                                                              | 壁タイル用接着剤                                   | 01A02               | 010573    |   |         |
| A#0096 | adhesives for wallpaper                                                               | 壁紙用接着剤                                     | 01A02               | 010203    |   |         |
| A#0098 | adjuvants, other than for medical or veterinary purposes                              | アジュバント（補助剤）（医療用及び獣医科用のものを除く。）              | 01A01               | 010690    |   |         |
| A#0116 | agar-agar for industrial purposes                                                     | 工業用寒天                                      | 01A01               | 010029    |   |         |
| A#0121 | agglutinants for concrete                                                             | コンクリート用接合剤                                 | 01A01               | 010030    |   |         |
| A#0124 | agricultural chemicals, except fungicides, herbicides, insecticides and parasiticides | 農薬（殺菌剤、除草剤、殺虫剤及び寄生生物駆除剤を除く。）               | 01B02               | 010031    |   |         |
| A#0181 | albumenized paper                                                                     | 鶏卵紙                                        | 10E01               | 010036    |   |         |
| A#0182 | albumin [animal or vegetable, raw material]                                           | 動物性又は植物性アルブミン（原料）                          | 01A01               | 010033    |   |         |
| A#0191 | alcohol*                                                                              | アルコール                                      | 01A01               | 010040    |   |         |
| A#0198 | aldehydes*                                                                            | アルデヒド類                                     | 01A01               | 010042    |   |         |

| C#0260 | cement [metallurgy]                                               | 冶金用セメント                                    | 01A01                 | 010158    |   |         |
| C#0263 | cement for footwear                                               | 履物用接着剤                                     | 01A02                 | 010170    |   |         |
| C#0265 | cement for mending broken articles                                | 壊れた物の修理用接着剤                                | 01A02                 | 010194    |   |         |
| C#0267 | cement preservatives, except paints and oils                      | セメント保存剤（ペイント及び油を除く。）                       | 01A01                 | 010196    |   |         |
| C#0270 | cement-waterproofing chemicals, except paints                     | セメント防水剤（ペイントを除く。）                          | 01A01                 | 010195    |   |         |
| C#0280 | ceramic compositions for sintering [granules and powders]         | 粉末冶金用セラミック化合物（細粒及び粉末）                      | 34E09, 34E10<br>34E11 | 010646    |   |         |
| C#0281 | ceramic glazings                                                  | 陶磁器用釉薬                                     | 03B02                 | 010160    |   |         |
| C#0283 | ceramic materials in particulate form, for use as filtering media | 粒状セラミック製ろ過剤                                | 01A01                 | 010621    |   |         |
| C#0291 | cerium                                                            | セリウム                                       | 06A02                 | 010161    |   |         |
| C#0339 | chemical additives for oils                                       | 油用化学添加剤                                    | 01A01                 | 010654    |   |         |

## List of Goods in Class Order (Class 1 – Class 34)

## Class 1

| Index  | Indication of Goods                                                                               | Indication of Goods (Japanese translation) | Similar Group Codes | Basic No. | * | Remarks |
|--------|---------------------------------------------------------------------------------------------------|--------------------------------------------|---------------------|-----------|---|---------|
| C#0340 | chemical additives to drilling muds                                                               | 掘削泥水用添加剤                                   | 01A01               | 010019    |   |         |
| C#0341 | chemical additives to fungicides                                                                  | 殺菌剤用添加剤                                    | 01A01               | 010309    |   |         |
| C#0342 | chemical additives to insecticides                                                                | 殺虫剤用添加剤                                    | 01A01               | 010308    |   |         |
| C#0343 | chemical additives to motor fuel                                                                  | 原動機燃料用化学添加剤                                | 01A01               | 010020    |   |         |
| C#0345 | chemical coatings for ophthalmic lenses                                                           | めがねレンズのコーティング用化学剤                          | 01A01               | 010708    |   |         |
| C#0347 | chemical condensation preparations                                                                | 冷媒                                         | 01A01               | 010015    |   |         |
| C#0350 | chemical intensifiers for paper                                                                   | 紙強化剤                                       | 01A01               | 010639    |   |         |
| C#0351 | chemical intensifiers for rubber                                                                  | ゴム強化剤                                      | 01A01               | 010640    |   |         |
| C#0352 | chemical preparations for analyses in laboratories, other than for medical or veterinary purposes | 実験室用分析化学剤（医療用及び獣医科用のものを除く。）                | 01A01               | 010181    |   |         |
| C#0353 | chemical preparations for decarbonising engines                                                   | 内燃機関用炭素除去剤                                 | 01A01               | 010089    |   |         |
| C#0354 | chemical preparations for facilitating the alloying of metals                                     | 合金化促進剤                                     | 01A01               | 010045    |   |         |
| C#0357 | chemical preparations for scientific purposes, other than for medical or veterinary use           | 科学用化学剤（医療用及び獣医科用のものを除く。）                   | 01A01               | 010177    |   |         |
| C#0358 | chemical preparations for smoking meat                                                            | 肉くん製用化学剤                                   | 01A01               | 010317    |   |         |
| C#0366 | chemical preparations for use in photography                                                      | 写真用化学剤                                     | 10E01               | 010211    |   |         |
| C#0368 | chemical preparations to prevent diseases affecting cereal plants                                 | 穀類植物に影響を与える病気の予防剤                          | 01B02               | 010719    |   |         |
| C#0369 | chemical preparations to prevent diseases affecting vine plants                                   | ぶどうの木に影響を与える病気の予防剤                         | 01B02               | 010546    |   |         |
| C#0370 | chemical preparations to prevent mildew                                                           | うどん粉病予防剤                                   | 01B02               | 010395    |   |         |
| C#0371 | chemical preparations to prevent wheat blight                                                     | 焼枯れ病（黒穂病）予防剤                               | 01B02               | 010404    |   |         |
| C#0372 | chemical preparations to prevent wheat smut                                                       | 焼枯れ病（黒穂病）予防剤                               | 01B02               | 010404    |   |         |
| C#0374 | chemical reagents, other than for medical or veterinary purposes                                  | 化学用試剤（医療用及び獣医科用のものを除く。）                    | 01A01               | 010178    |   |         |
| C#0375 | chemical substances for analyses in laboratories, other than for medical or veterinary purposes   | 実験室用分析化学剤（医療用及び獣医科用のものを除く。）                | 01A01               | 010181    |   |         |
| C#0376 | chemical substances for preserving foodstuffs                                                     | 食品保存用化学剤                                   | 01A01               | 010044    |   |         |
| C#0377 | chemicals for the manufacture of paints                                                           | 塗料製造用化学品                                   | 01A01               | 010575    |   |         |
| C#0378 | chemicals for the manufacture of pigments                                                         | 顔料製造用化学品                                   | 01A01               | 010679    |   |         |
| C#0379 | chemicals for use in forestry, except fungicides, herbicides, insecticides and parasiticides      | 林業用農薬（殺菌剤、除草剤、殺虫剤及び寄生生物駆除剤を除く。）            | 01B02               | 010505    |   |         |
| C#0380 | chemicals, except pigments, for the manufacture of enamel                                         | エナメル製造用化学品（顔料を除く。）                         | 01A01               | 010107    |   |         |

| F#0214 | fissionable material for nuclear energy                    | 原子力核燃料                                     | 06A02               | 010297    |   |         |
| F#0242 | fixing baths [photography]                                 | 写真用定着剤                                     | 10E01               | 010097    |   |         |
| F#0243 | fixing solutions [photography]                             | 写真用定着液                                     | 10E01               | 010298    |   |         |
| F#0260 | flashlight preparations                                    | 閃光用剤                                       | 10E01               | 010256    |   |         |
| F#0265 | flavonoids [phenolic compounds] for industrial purposes    | 工業用フラボノイド（フェノール化合物）                        | 01A01               | 010703    |   |         |
| F#0305 | flocculants                                                | 凝集剤                                        | 01A01               | 010587    |   |         |
| F#0319 | flour for industrial purposes                              | 工業用穀粉                                      | 33A03               | 010289    |   |         |
| F#0326 | flower preservatives                                       | 花き保存剤                                      | 01A01               | 010209    |   |         |
| F#0330 | flowers of sulfur for chemical purposes                    | 化学用硫黄華                                     | 01A01               | 010299    |   |         |
| F#0340 | fluids for hydraulic circuits                              | 油圧回路液                                      | 05B01               | 010197    |   |         |

## List of Goods in Class Order (Class 1 – Class 34)

## Class 1

| Index  | Indication of Goods                                            | Indication of Goods (Japanese translation) | Similar Group Codes | Basic No. | * | Remarks |
|--------|----------------------------------------------------------------|--------------------------------------------|---------------------|-----------|---|---------|
| F#0342 | fluorine                                                       | ふっ素                                        | 01A01               | 010302    |   |         |
| F#0343 | fluorspar compounds                                            | ふっ素化合物                                     | 01A01               | 010303    |   |         |
| F#0400 | formic acid                                                    | ぎ酸                                         | 01A01               | 010310    |   |         |
| F#0401 | formic aldehyde for chemical purposes                          | 化学用ホルムアルデヒド                                | 01A01               | 010311    |   |         |
| F#0404 | foundry binding substances                                     | 鋳造用結合剤                                     | 01A01               | 010306    |   |         |
| F#0407 | foundry molding preparations                                   | 鋳造用造型剤                                     | 01A01               | 010307    |   |         |
| F#0410 | foundry moulding preparations                                  | 鋳造用造型剤                                     | 01A01               | 010307    |   |         |
| F#0413 | foundry sand                                                   | 鋳物砂                                        | 06B01               | 010467    |   |         |
| F#0424 | francium                                                       | フランシウム                                     | 06A02               | 010314    |   |         |
| F#0486 | fuel for nuclear reactors                                      | 原子炉用燃料                                     | 01A01, 06A02        | 010087    |   |         |
| F#0491 | fuel-saving preparations                                       | 燃料節約剤                                      | 01A01               | 010257    |   |         |
| F#0494 | fuller's earth for use in the textile industry                 | 繊維工業用酸性白土                                  | 01A01               | 010525    |   |         |
| F#0495 | fulling preparations                                           | 縮じゅう剤                                      | 01A01               | 010313    |   |         |
| F#0496 | fulling preparations for use in the textile industry           | 繊維工業用縮じゅう剤                                 | 01A01               | 010312    |   |         |
| G#0002 | gadolinium                                                     | ガドリニウム                                     | 06A02               | 010318    |   |         |
| G#0009 | gallic acid for the manufacture of ink                         | インキ製造用没食子酸                                 | 01A01               | 010320    |   |         |
| G#0010 | gallium                                                        | ガリウム                                       | 06A02               | 010321    |   |         |
| G#0011 | gallnuts                                                       | 没食子                                        | 01A01               | 010319    |   |         |
| G#0012 | gallotannic acid                                               | ガロタンニン酸                                    | 01A01               | 010323    |   |         |
| G#0018 | galvanizing baths                                              | 亜鉛めっき用溶液                                   | 01A01               | 010098    |   |         |
| G#0020 | galvanizing preparations                                       | 亜鉛めっき用剤                                    | 01A01               | 010324    |   |         |
| G#0022 | gambier                                                        | ガンビール                                      | 01A01               | 010325    |   |         |
| G#0052 | gas purifying preparations                                     | ガス浄化剤                                      | 01A01               | 010275    |   |         |
| G#0077 | gelatine for industrial purposes                               | 工業用ゼラチン                                    | 01A02               | 010330    |   |         |
| G#0079 | gelatine for photographic purposes                             | 写真用ゼラチン                                    | 10E01               | 010329    |   |         |
| G#0081 | genes of seeds for agricultural production                     | 農産用種子の遺伝子                                  | 01A01               | 010656    |   |         |
| G#0090 | getters [chemically active substances]                         | ゲッター（化学的活性体）                               | 01A01               | 010332    |   |         |
| G#0127 | glass-frosting chemicals                                       | ガラスつや消し用化学品                                | 01A01               | 010386    |   |         |
| G#0128 | glass-staining chemicals                                       | ガラス着色用化学剤                                  | 01A01               | 010521    |   |         |
| G#0133 | glaziers' putty                                                | ガラス用パテ                                     | 03C01, 07A03        | 010651    |   |         |
| G#0155 | glucose for industrial purposes                                | 工業用グルコース                                   | 01A01               | 010614    |   |         |
| G#0157 | glucose for the food industry                                  | グルコース（食品工業用添加物）                            | 01A01               | 010662    |   |         |
| G#0159 | glucosides                                                     | グルコシド                                      | 01A01               | 010335    |   |         |
| G#0160 | glue for industrial purposes                                   | 工業用にかわ                                     | 01A02               | 010600    |   |         |
| G#0165 | glutamic acid for industrial purposes                          | 工業用グルタミン酸                                  | 01A01               | 010683    |   |         |
| G#0167 | gluten [glue], other than for stationery or household purposes | グルテン（にかわ）（文房具及び家庭用のものを除く。）                 | 01A02               | 010615    |   |         |
| G#0169 | gluten for industrial purposes                                 | 工業用グルテン                                    | 01A01               | 010671    |   |         |

## Class 9

## List of Goods in Class Order (Class 1 – Class 34)

| Index  | Indication of Goods                                                  | Indication of Goods (Japanese translation) | Similar Group Codes   | Basic No. | * | Remarks |
|--------|----------------------------------------------------------------------|--------------------------------------------|-----------------------|-----------|---|---------|
| J#0050 | joysticks for use with computers, other than for video games         | コンピュータ用ジョイスティック (テレビゲーム用を除く。)              | 11C01                 | 090747    |   |         |
| J#0056 | juke boxes for computers                                             | コンピュータ用CD-ROMチェンジャー                        | 11C01                 | 090604    |   |         |
| J#0057 | juke boxes, musical                                                  | ジュークボックス (「電気通信機械器具」に属するもの)                | 11B01                 | 090062    |   |         |
| J#0060 | junction boxes [electricity]                                         | 電気用接続箱                                     | 11A05                 | 090145    |   |         |
| J#0061 | junction sleeves for electric cables                                 | 電気ケーブル用接続スリーブ                              | 11A05                 | 090626    |   |         |
| K#0031 | kilometer recorders for vehicles                                     | 乗物用走行距離記録計                                 | 10C01                 | 090232    |   |         |
| K#0056 | knee-pads for workers                                                | 作業用ひざ当て                                    | 17A08                 | 090605    |   |         |
| L#0008 | laboratory centrifuges                                               | 実験室用遠心分離機                                  | 10A01                 | 090698    |   |         |
| L#0010 | laboratory pipettes                                                  | 実験室用ピペット                                   | 10A01                 | 090398    |   |         |
| L#0011 | laboratory robots                                                    | 実験用ロボット                                    | 10A01                 | 090787    |   |         |
| L#0012 | laboratory trays                                                     | 実験室用トレイ                                    | 10A01                 | 090177    |   |         |
| L#0022 | lactodensimeters                                                     | 乳汁比重計                                      | 10C01                 | 090316    |   |         |
| L#0023 | lactometers                                                          | 乳汁比重計                                      | 10C01                 | 090317    |   |         |
| L#0058 | lanyards for cell phones                                             | 携帯電話機用ランヤード                                | 11B01                 | 090920    |   |         |
| L#0061 | laptop computers                                                     | ノートブック型コンピュータ                              | 11C01                 | 090707    |   |         |
| L#0068 | lasers, not for medical purposes                                     | レーザー光発生装置 (医療用のものを除く。)                     | 11C02                 | 090323    |   |         |
| L#0154 | lens hoods                                                           | レンズフード                                     | 10B01                 | 090723    |   |         |
| L#0156 | lenses for astrophotography                                          | 天体写真用レンズ                                   | 10B01                 | 090059    |   |         |
| L#0163 | letter scales                                                        | 手紙ばかり                                      | 10C01                 | 090325    |   |         |
| L#0170 | levelling instruments                                                | 水準儀                                        | 10C01                 | 090363    |   |         |
| L#0171 | levelling staffs [surveying instruments]                             | 水準標尺 (測量器具)                                | 10C01                 | 090281    |   |         |
| L#0172 | levels [instruments for determining the horizontal]                  | 水準器 (水平面決定用具)                              | 10C01                 | 090362    |   |         |
| L#0173 | lever scales [steelyards]                                            | さおばかり                                      | 10C01                 | 090433    |   |         |
| L#0179 | life belts                                                           | 救命帯                                        | 09G01                 | 090547    |   |         |
| L#0180 | life buoys                                                           | 救命浮標                                       | 09G01                 | 090517    |   |         |
| L#0181 | life jackets                                                         | 救命胴衣                                       | 09G01                 | 090546    |   |         |
| L#0182 | life nets                                                            | 救命網                                        | 09G01                 | 090260    |   |         |
| L#0183 | lifeboats                                                            | 救命ボート                                      | 09G01                 | 090816    |   |         |
| L#0184 | life-saving apparatus and equipment                                  | 救命用具                                       | 09G01                 | 090295    |   |         |
| L#0185 | life-saving capsules for natural disasters                           | 自然災害用救命カプセル                                | 09G01                 | 090731    |   |         |
| L#0186 | life-saving rafts                                                    | 救命いかだ                                      | 09G01                 | 090073    |   |         |
| L#0196 | light dimmers [regulators], electric                                 | 調光器 (光調整器) (電気式のもの)                        | 11A01                 | 090606    |   |         |
| L#0198 | light regulators [dimmers], electric                                 | 調光器 (光調整器) (電気式のもの)                        | 11A01                 | 090606    |   |         |
| L#0199 | light-emitting diodes [LED]                                          | 発光ダイオード (LED)                              | 11C01                 | 090704    |   |         |
| L#0201 | light-emitting electronic pointers                                   | 光発出方式の電子ポインタ                               | 11C01, 25B01          | 090679    |   |         |
| L#0205 | lighting ballasts                                                    | 照明器具用安定器                                   | 11A01                 | 090672    |   |         |

## List of Goods in Class Order (Class 1 – Class 34)

## Class 9

| Index  | Indication of Goods                                         | Indication of Goods (Japanese translation) | Similar Group Codes          | Basic No. | * | Remarks |
|--------|-------------------------------------------------------------|--------------------------------------------|------------------------------|-----------|---|---------|
| P#0236 | personal digital assistants [PDAs]                          | 〔携帯情報端末（PDA）〕                              | —                            | 090790    | * |         |
| P#0238 | personal stereos                                            | パーソナルステレオ                                  | 11B01                        | 090663    |   |         |
| P#0253 | Petri dishes                                                | ペトリ皿（シャーレ）                                 | 10A01                        | 090712    |   |         |
| P#0255 | petrol gauges                                               | ガソリンゲージ                                    | 10C01                        | 090243    |   |         |
| P#0271 | phonograph records                                          | レコード                                       | 24E02                        | 090016    |   |         |
| P#0278 | photocopiers [photographic, electrostatic, thermic]         | 複写機器（写真式、静電式及び感熱式のもの）                      | 09D01, 11C01                 | 090154    |   |         |
| P#0284 | photographic racks                                          | 写真用棚                                       | 10B01                        | 090212    |   |         |
| P#0288 | photometers                                                 | 測光器                                        | 10C01                        | 090393    |   |         |
| P#0291 | phototelegraphy apparatus                                   | 写真電送装置                                     | 11B01                        | 090394    |   |         |
| P#0292 | photovoltaic cells                                          | 光電池                                        | 11A03                        | 090531    |   |         |
| P#0318 | piezoelectric sensors                                       | 圧電センサー                                     | 10C01                        | 090824    |   |         |
| P#0339 | pince-nez                                                   | 鼻眼鏡                                        | 23B01                        | 090397    |   |         |
| P#0372 | Pitot tubes                                                 | ピトー管                                       | 10C01                        | 090713    |   |         |
| P#0383 | plane tables [surveying instruments]                        | 平板（測量器具）                                   | 10C01                        | 090399    |   |         |
| P#0385 | planimeters                                                 | プランニメーター                                   | 10C01                        | 090400    |   |         |
| P#0426 | plates for batteries                                        | 電池用電極板                                     | 11D01                        | 090012    |   |         |
| P#0440 | plotters                                                    | プロッタ                                       | 11C01                        | 090596    |   |         |
| P#0447 | plumb bobs                                                  | 下げ振り                                       | 10C01                        | 090257    |   |         |
| P#0448 | plumb lines                                                 | 下げ振り糸                                      | 10C01                        | 090258    |   |         |
| P#0465 | pocket calculators                                          | ポケット型計算機                                   | 11C01                        | 090644    |   |         |
| P#0472 | polarimeters                                                | 偏光計                                        | 10C01                        | 090404    |   |         |
| P#0514 | portable document scanners                                  | 携帯型書類スキャナー                                 | 11C01                        | 090912    |   |         |
| P#0522 | portable media players                                      | 携帯型メディアプレーヤー                               | 11B01                        | 090702    |   |         |
| P#0523 | portable power chargers                                     | 携帯式充電器                                     | 11A01, 11B01<br>11C01, 24A01 | 090874    |   |         |
| P#0524 | portable speakers                                           | ポータブルスピーカー                                 | 11B01                        | 090889    |   |         |
| P#0525 | portable ultrafine dust meters                              | 携帯用超微細塵埃計                                  | 10C01                        | 090853    |   |         |
| P#0588 | precision balances                                          | 精密ばかり                                      | 10C01                        | 090489    |   |         |
| P#0589 | precision measuring apparatus                               | 精密測定装置                                     | 10C01                        | 090346    |   |         |
| P#0637 | pressure gauges                                             | 圧力計                                        | 10C01                        | 090336    |   |         |
| P#0638 | pressure indicator plugs for valves                         | バルブの圧力指示計用栓                                | 10C01                        | 090090    |   |         |
| P#0639 | pressure indicators                                         | 圧力指示計                                      | 10C01                        | 090410    |   |         |
| P#0640 | pressure measuring apparatus                                | 圧力測定装置                                     | 10C01                        | 090409    |   |         |
| P#0649 | printed circuit boards                                      | プリント回路基板                                   | 11C01                        | 090699    |   |         |
| P#0650 | printed circuits                                            | プリント回路                                     | 11C01                        | 090125    |   |         |
| P#0659 | printers for use with computers*                            | コンピュータ用プリンター                               | 11C01                        | 090618    |   |         |
| P#0673 | prisms [optics]                                             | プリズム（光学用のもの）                               | 10B01                        | 090365    |   |         |
| P#0681 | probes for scientific purposes                              | プローブ（「医療用機械器具」に属するものを除く。）                  | 10C01                        | 090436    |   |         |
| P#0685 | processors [central processing units]                       | 演算装置（中央処理装置）                               | 11C01                        | 090619    |   |         |
| P#0689 | projection apparatus                                        | 映写装置                                       | 10B01                        | 090411    |   |         |
| P#0690 | projection screens                                          | 映写用スクリーン                                   | 10B01                        | 090209    |   |         |
| P#0703 | protection devices against X-rays, not for medical purposes | X線防護装置（医療用のものを除く。）                         | 11C02                        | 090422    |   |         |
| P#0704 | protection devices for personal use against accidents       | 事故防止用身体防護具                                 | 09G05, 17A08                 | 090004    |   |         |
| P#0707 | protective films adapted for computer screens               | コンピュータの画面保護用フィルム                           | 11C01                        | 090751    |   |         |
| P#0709 | protective films adapted for smartphones                    | スマートフォン用保護フィルム                             | 11B01, 11C01                 | 090775    |   |         |
| P#0711 | protective helmets                                          | 保護ヘルメット                                    | 09G05, 24C01                 | 090112    |   |         |
| P#0712 | protective helmets for sports                               | 運動用保護ヘルメット                                 | 24C01                        | 090656    |   |         |
| P#0714 | protective masks, not for medical purposes                  | 保護マスク（医療用のものを除く。）                          | 17A05                        | 090338    |   |         |
| P#0717 | protective suits for aviators                               | 飛行士用保護服                                    | 17A06                        | 090070    |   |         |

## Class 9

## List of Goods in Class Order (Class 1 – Class 34)

| Index  | Indication of Goods                                           | Indication of Goods (Japanese translation) | Similar Group Codes | Basic No. | * | Remarks |
|--------|---------------------------------------------------------------|--------------------------------------------|---------------------|-----------|---|---------|
| P#0726 | protractors [measuring instruments]                           | 測定用分度器                                     | 10C01               | 090419    |   |         |
| P#0752 | punched card machines for offices                             | 事務用パンチカード機械                                | 09D01               | 090097    |   |         |
| P#0764 | push buttons for bells                                        | ベル用押しボタン                                   | 11A01               | 090093    |   |         |
| P#0773 | pyrometers                                                    | パイロメーター                                    | 10C01               | 090415    |   |         |
| Q#0002 | quantity indicators                                           | 分量計量器                                      | 10C01               | 090301    |   |         |
| Q#0003 | quantum computers                                             | 量子コンピュータ                                   | 11C01               | 090877    |   |         |

## Class 9

## List of Goods in Class Order (Class 1 – Class 34)

| Index  | Indication of Goods                                       | Indication of Goods (Japanese translation) | Similar Group Codes   | Basic No. | * | Remarks |
|--------|-----------------------------------------------------------|--------------------------------------------|-----------------------|-----------|---|---------|
| T#0170 | terminals [electricity]                                   | 端子（電気用のもの）                                 | 11A01, 11A05<br>11B01 | 090089    |   |         |
| T#0175 | test tubes                                                | 試験管                                        | 10A01                 | 090236    |   |         |
| T#0177 | testing apparatus not for medical purposes                | 試験装置（医療用のものを除く。）                           | 10C01                 | 090249    |   |         |
| T#0191 | theft prevention installations, electric                  | 盗難防止用電気式設備                                 | 09G04                 | 090497    |   |         |
| T#0192 | theodolites                                               | 経緯儀                                        | 10C01                 | 090479    |   |         |
| T#0197 | thermal imaging cameras                                   | 赤外線熱画像探知カメラ                                | 10B01, 11B01          | 090760    |   |         |
| T#0203 | thermionic tubes                                          | 熱電子管                                       | 11C01                 | 090060    |   |         |
| T#0204 | thermionic valves                                         | 熱電子管                                       | 11C01                 | 090060    |   |         |
| T#0206 | thermo-hygrometers                                        | 湿温計                                        | 10C01                 | 090773    |   |         |
| T#0208 | thermometers, not for medical purposes                    | 温度計（「診断用機械器具」に属するものを除く。）                   | 10C01                 | 090429    |   |         |
| T#0211 | thermostats                                               | サーモスタット                                    | 10C01                 | 090238    |   |         |
| T#0212 | thermostats for vehicles                                  | 乗物用サーモスタット                                 | 10C01                 | 090481    |   |         |
| T#0215 | thin client computers                                     | シンククライアント型コンピュータ                           | 11C01                 | 090795    |   |         |
| T#0216 | thin film speakers                                        | 薄膜式スピーカー                                   | 11B01                 | 090857    |   |         |
| T#0222 | thread counters                                           | 線条計数器                                      | 10C01                 | 090136    |   |         |
| T#0241 | ticket dispensing terminals, electronic                   | 電子式チケット発行端末装置                              | 09E21                 | 090086    |   |         |
| T#0242 | ticket printers                                           | チケットプリンター                                  | 11C01                 | 090837    |   |         |
| T#0260 | time clocks [time recording devices]                      | タイムレコーダー                                   | 09D01                 | 090649    |   |         |
| T#0261 | time recording apparatus                                  | 時間記録用装置                                    | 09D01                 | 090478    |   |         |
| T#0262 | time switches, automatic                                  | 自動タイムスイッチ                                  | 11A01                 | 090353    |   |         |
| T#0340 | tone arms for record players                              | レコードプレーヤー用ピックアップアーム                        | 11B01                 | 090095    |   |         |
| T#0342 | toner cartridges, unfilled, for printers and photocopiers | プリンター用及び写真複写機用トナーカートリッジ（充てんされていないもの）       | 09D01, 11C01          | 090720    |   |         |
| T#0376 | totalizers                                                | 競馬賭け率計算機                                   | 09D01, 11C01          | 090484    |   |         |
| T#0409 | trackballs [computer peripherals]                         | トラックボール（コンピュータ周辺機器）                        | 11C01                 | 090820    |   |         |
| T#0415 | traffic cones                                             | トラフィックコーン                                  | 09G07                 | 090715    |   |         |
| T#0416 | traffic-light apparatus [signalling devices]              | 交通信号機                                      | 09G07                 | 090687    |   |         |
| T#0424 | transformers [electricity]                                | 変圧器（電気用のもの）                                | 11A01                 | 090049    |   |         |
| T#0425 | transistors [electronic]                                  | トランジスター（電子部品）                              | 11C01                 | 090624    |   |         |
| T#0435 | transmitters [telecommunication]                          | 送信装置（電気通信用のもの）                             | 11B01                 | 090488    |   |         |
| T#0436 | transmitters of electronic signals                        | 電子信号送信機                                    | 11B01                 | 090227    |   |         |
| T#0437 | transmitting sets [telecommunication]                     | 送信機（電気通信用のもの）                              | 11B01                 | 090228    |   |         |
| T#0438 | transparencies [photography]                              | スライドフィルム（現像済みのもの）                          | 26D01                 | 090185    |   |         |
| T#0440 | transparency projection apparatus                         | スライド映写機                                    | 10B01                 | 090186    |   |         |
| T#0442 | transponders                                              | トランスポンダ                                    | 11B01                 | 090693    |   |         |
| T#0479 | triodes                                                   | 三極管                                        | 11C01                 | 090705    |   |         |
| T#0481 | tripods for cameras                                       | カメラ用三脚                                     | 10B01                 | 090577    |   |         |
| T#0509 | T-squares for measuring                                   | T定規（測定器具）                                  | 10C01                 | 090783    |   |         |
| U#0041 | urinometers                                               | 尿比重計                                       | 10C01, 10D01          | 090492    |   |         |
| U#0043 | USB flash drives                                          | USBフラッシュドライブ                               | 11C01                 | 090700    |   |         |
| U#0046 | user-programmable humanoid robots, not configured         | ユーザーがプログラミング可能なヒューマノイドロボット（未設定のもの）         | 09E99                 | 090917    |   |         |
| V#0007 | vacuum gauges                                             | 真空計                                        | 10C01                 | 090302    |   |         |
| V#0009 | vacuum tubes [radio]                                      | ラジオ放送用真空管                                  | 11C01                 | 090491    |   |         |
| V#0034 | variometers                                               | バリオメーター                                    | 10C01, 11A04          | 090493    |   |         |
