WELCOME TO OUR EVENT

Mock trial/proceedings and discussions of judgments and emerging issues in the IP field by legal professionals are open to the public.

Starting from 2017, JSIP has drawn the interest of a large number of audience. Judges and other distinguished guests from Europe, the United States and Asian countries gather to discuss not only the IP judicial system in Japan, but the latest issues surrounding the systems and practices of IP around the world.

HIGHLIGHTS

This year at our eighth annual symposium, we will focus on intellectual dispute resolution in Japan, the United States and Europe, and discuss the latest issues with our distinguished guests.
