## Overview of the Symposium

Launched in 2017, this program has brought together judges, attorneys, and other legal professionals from around the world to engage in mock trials and discussions on judicial decisions in IP disputes and recent IP developments. The symposium has consistently attracted a large number of participants as a forum for sharing the latest developments not only on Japan's IP system but also on the systems and practices of other jurisdictions around the world. Marking the 20<sup>th</sup> anniversary of the IP High Court, this ninth symposium will feature discussions with distinguished guests from Europe, the United States, and Asia on key themes regarding IP dispute resolution.
