Title of invention	
CONDITIONS OF THE COLLABORATIVE INTERNATIONAL SEARCH	
<i>The undersigned understands that the International Searching Authority (ISA) selected in Box No. VII of the PCT Request will prepare the International Search Report (or where appropriate, the Declaration of Non-Establishment of International Search Report) and Written Opinion of the ISA in collaboration with the other IP5 Offices. During the pilot phase, the amount of the international search fee (and any additional search fees) to be paid in relation to this application is that of the selected ISA.</i>	
<i>The undersigned further acknowledges and agrees to:</i>	
<ul style="list-style-type: none"><i>– In accordance with PCT Article 30, the applicant(s) for the above-identified international application authorizes access to the international application by the collaborating IP5 Offices within the framework of the IP5 Collaborative Search & Examination Pilot. This includes, but is not limited to, providing copies of the international application to the collaborating IP5 Offices.</i><i>– None of the applicants named in the above-identified international application has had more than 10 international applications previously accepted by this ISA into the IP5 Collaborative Search & Examination Pilot.</i><i>– The collaborative process involves additional administrative steps which may reduce the ISA's ability to establish the international search report within the time limit indicated in PCT Rule 42.</i><i>– Upon invitation issued towards the end of the Pilot, the applicant is expected to provide feedback as to the added value of the proposed new work product.</i><i>– Where this application is filed in a language other than English at a receiving Office which accepts such applications for the pilot, a translation into English will be required by the ISA within one month of the mailing date of the provisional acceptance of the application into the pilot.</i>
